FATHER OF TWO KILLS SELF AS FAMILY WAITS

Despondent Daly City Man Is Suicide Victim Because Of Ill Health

Said to have been despondent because of continued ill health, Christian John Eggers, aged 35, of 198 Acton street, killed himself in the basement of his home, Sunday evening last.

Excusing himself from the room where his wife, two small children and other relatives had gathered shortly before dinner that night, Eggers walked down into the basement and fired a blast from a shotgun through his brain.

Mrs. Eggers heard the shot shortly after 6 o'clock, found her husband's body, sprawled and inert on the garage floor in the basement, and notified police. The body was removed to the Lasswell funeral home.

Eggers was an employe of the telephone company, with which he had been connected for the past fifteen years. Before coming to Daly City two years ago, he resided in San Francisco.

Authorities said that he had attempted suicide once before, but that the revolver he was planning to use had been taken away from him.

The surviving relatives are the widow Hildur and two minor children, Neal and Mae Eggers; his mother, Mrs. H. Heintz; two sisters, Pearl Wedde and Mae Adamina, and two brothers, William and Theodore Eggers.

Funeral services were conducted from the mortuary chapel of W. C. Lasswell & Co., Wednesday morning of this week, followed by interment at Cypress Lawn Cemetery.

EIGHT PERSONS SUFFER INJURY AS CARS CRASH

Head-On Collision On Bayshore Highway Results In Trip To Hospital

Eight persons were injured, Sunday last about noon, when two machines crashed head-on, on the Bayshore highway near San Mateo.

The automobiles were driven by Mrs. Anna Garrish of San Francisco and Roy O. Bussell of Eugene, Ore. The injured were sent to hospitals.

Those suffering serious injuries were Frank Oram, 31, San Francisco, throat cut from ear to ear, one ear nearly severed. Mrs. Garrish, 55, compound fractures of both legs and left arm; Roy O. Bussell, 32, cuts and bruises; August Fulton, 60, Phelporg, Pa., mangled arm; Mrs. Aileen E. Fulton, 59, his wife, fractured collarbone; Mrs. Elizabeth Whitefoot, 45, Detroit, Mich., fractured pelvis; Edward Whitefoot, 58, her husband, fractured pelvis; Miss Lucy Schmidt, 37, New York, broken nose, loss of several teeth, deep cut in chin.

Bussell was jailed on charges of driving while drunk and causing personal injuries, reckless driving and driving without an operator's license. His bail was set at $500 cash or $1000 bond, and his trial was scheduled for today, June 17, before Judge Hugh F. Mullins Jr. in San Mateo.

Honolulu Serenaders On Stage Of The Daly City Theater Sunday

The management of the Daly City Theater announces the appearance of the Honolulu Serenaders the coming Sunday at both matinee and night performances. The Honolulu Serenaders, under the direction of Ray Meany, famous composer of many Hawaiian song hits and director of the Honolulu Conservatory of Music, will offer a gala program of fascinating Hawaiian and popular melodies. The Serenaders play the Hawaiian steel guitar and other string instruments, several of which are electrically energized, giving a novel and beautiful tone to the Hawaiian music.

These artists will appear in conjunction with the two pictures, "The Goldwyn Follies," in technicolor and "Forbidden Valley." There will also be shown a varied selection of short subjects.

HURDLE JUMPERS STEAL THE SHOW AT BADEN TRACK

Intense Competition In All Classes With Top Honors Strongly Contested For

Big crowds, fast greyhounds and the most popular dog racing plant in the West combined to keep the "Sport of Queens" to the fore again at Baden Kennel Club this week.

Intense competition has developed for top honors in all classes. Vice Versa, winner of the Inaugural Futurity, ran unplaced in the eight-dog match race last Saturday, and the winner was Legal Gamble, owned by Ollie Ostendorf. My Foxy, current champion at the five-sixteenths mile distance, was also unplaced in the same race.

The shuffle leaves the race wide open, with many of these same dogs matched in the big feature race tomorrow (Saturday) night.

Sensation of the meeting has been the development of the hurdle dogs. Mammoth Flint, owned by Harry DuVaull, equalled the track record in his first start. Two young jumpers owned by R. B. Ferris, named Bluffing Jessie and Bluffing Bee, have been burning up the track. Sailor Joe, an old time favorite last meeting, has rounded into top form and has defeated some of the best.

The class of the hurdle dogs is an indication of the caliber of greyhounds assembled at the South San Francisco track. Some plants operating last fall and this spring had difficulty in finding enough good jumpers to make up their races. There is no such shortage at Baden.

LARGE NUMBER JUNIOR COLLEGE STUDENTS LEAVE

More Than One Hundred And Fifty Are Awarded Diplomas

With final examinations over, diplomas awarded at the commencement exercises and entrance examinations given to many of the students who will enroll as freshmen next semester, San Mateo Junior College closed its spring semester and students and facuty members scattered for the summer.

In the beautiful Woodland Theater in Hillsborough, 151 students received diplomas at the sixteenth commencement. Dr. Tully C. Knoles, president of the College of the Pacific in Stockton, delivered the address, telling the graduates they must defend freedom of thought and education, work to enrich life about them, build homes and ever continue education for themselves.

Seventeen students were awarded life membership in the California Junior College Honor Society for high scholarship throughout their two years in college, while three more graduated with Junior College honors.

Scholarships were presented to Miss Patricia Quigley and to William Luttgens, while prizes went to Francis Guido, Kae Gifford and Miguel Luna, who were judged winners in research work in San Mateo County history.

Friday evening the graduates and their friends enjoyed the sophomore ball in the Palace Hotel in San Francisco, and the college year was over.

Meanwhile work is progressing on the new Junior College building. The ground has been leveled and the basement has been excavated. One year will be required to complete the building.

Next term, when the new freshman girls report to enroll, they will be aided by the upper class co-eds, who will be on hand to assist the newcomers.

Miss Anne Kahle, Jefferson Union High School graduate, has been named vice president of the Associated Women Students for the fall term.

WHAT A BREAK FOR ONE SMALL BOY

The former "It" girl of the screen, Clara Bow and wife of Rex Bell, cowboy actor, became the mother of a six pound, eleven ounce son at the Santa Monica Hospital, Tuesday of this week.

Forest Fires Sweep Olympic Peninsula In Washington

Battling the worst forest fire this season, thousands of firefighters recently sought to bring a raging conflagration under control in the vicinity of Quilcene, Wash., in the Olympic National Forest. Struggling for three days, 600 CCC workers and some 300 civilians fought feverishly to surround the blazing timber. A heavy fog subsequently lowered over the Olympic Peninsula which enabled the men to gain footing and bring the fire virtually under control. Vigilant watch was kept to prevent the blaze from breaking out in other places.

GOLD STAR FOR CHIEF HILTON

Chief of Police "Barney" Hilton was a proud (albeit flustered) man, Monday evening at the meeting of the Daly City Council.

A large number of his friends had "chipped in" and raised enough "filthy lucre" to purchase a gold star for the Chief. Another public spirited friend supplied the cash to pay for a diamond to ornament the center.

And the badge surely is a marvelous piece of workmanship, the handicraft of our local jeweler, C. Behrend.

A large number of citizens were in attendance at the council session, in anticipation of seeing their favorite "guardian of the peace" honored. They became, figety and more so, but were compelled to be content to listening to the routine business being transacted by the city councilmen.

Everything was finally disposed of and Mayor Selmi arose to address the assembled multitude. He began by stating he was indeed happy to be able to participate in the proceedings about to be put under way. He spoke of the high esteem in which Chief of Police Arthur L. (Barney) Hilton was held by his fellow citizens. He reviewed the long and efficient service performed through the years and lauded the officer's loyalty and conscientiousness to duty. Finally, after all these encomiums, he brought forth the beautiful badge and called on Chief Hilton to come forward to the rostrum and receive the same.

Now came the piece de resistance of the evening. After exhibiting what appeared akin to stage fright and being almost overcome with emotion, the head of our Daly City Police Department delivered himself of a forensic outburst such as has seldom been heard within the confines of our fair city. He fairly burst the bounds of oratory in his speech of acceptance by expressing his appreciation of the wonderful gift and the friendly feeling toward him of such a large number of his fellow citizens.

The presentation speech of the Mayor was good, but the chief's flight of oratory far outdistanced his efforts.

Chief Hilton then passed around the star, which contained on its reverse side the usual appropriate inscription and was duly admired by all present.

Thus closed one of the happiest and most fruitful council sessions held in Daly City for so long a period as to beyond the ken of the oldest inhabitant present.

Here's hoping!

BABY SLEEPS ON

An 81 day period of sleep continued without any perceptible change in the condition of two year old Mary Ellen Reardon of Chicago, Tuesday evening of this week. The baby's deep sleep followed an attack of measles.

Romance Grows Young

Retired capitalist and widower of Phoenix, Ariz., Myron H. Akin, 80, and Mrs. Sue W. Stanley, 79, a widow of Pasadena, procured a marriage license in the latter city, Tuesday of this week.

MOTTO SHOULD BE LESS SPEED MORE CAUTION

When school is out it is time for extra caution, says a warning bulletin from the National Safety Council. Children should be taught how to cross the streets or road safely. Set them a good example by observing all traffic signals and regulations yourself.

Remember that the importance of developing safe pedestrian habits cannot be overestimated. But children sometimes forget and that leaves it up to you, Mr. Motorist, to exercise greater caution.

Wherever there are children, drive slowly. It may not be your fault if a child breaks from the curb in front of your car, but more control and less speed on your part can keep that child's mistake from being a fatal one.

Remember—it is more important to be without an accident than without blame.—San Mateo County Traffic Safety Commission.

SPLINTER STABS DRIVER IN LEG

When the car he was driving slid off the road near King Mountain, Sunday evening of this week, a timber from a guard rail rammed into the car and entered the leg of the driver.

Three persons were riding in the front seat, but none suffered serious injuries. Arthur J. Flach of San Francisco, the driver, had his ankle stabbed by a large splinter from the guard rail and another occupant, Mrs. Murill Lewis, was badly bruised.

No great damage was done to the machine, as it was promptly brought to a stop.

PWA MAY FAVOR COUNTY PROJECT

That San Mateo County may submit a $35,000 project for a new garage in Redwood City to replace the structure now leased by the county near lower Broadway, was considered, Monday of this week by Engineer Marshall.

Now that the new PWA funds are available the government would be asked for a grant of approximately $15,800, the county putting up for its share $19,200 out of the road department's gas tax fund. This project would substitute for the Anderson bridge job across Pescadero creek, for which PWA funds were approved after the completion of the span had been accomplished with county money.

Marshall had also received, from the PWA, assurance that a $43,300 bridge building program could be revised for a federal grant of $19,485.

FACULTY HEAD ANSWERS QUERY

Editor The Chronicle:

In today's issue of The Chronicle Mary E. Martin, of Daly City asks the question: "Who paid for the Swimming Pool at the Jefferson Union High School?" I am glad to be able to answer that question.

First, a bond issue for $85,000. for the construction of a gymnasium and swimming pool was voted by the people of the Jefferson Union High School District by a majority of four to one. In addition to this approximately $55,000. was paid from current funds of the school. Secondly, the Federal Government through the Public Works Administration made a grant of $69,545. towards the cost of the project.

To summarize: The total cost of the gymnasium and swimming pool was approximately $210,000, of which the local district paid $140,000, and the PWA $69,545.

Incidentally, let me, in behalf of our Board of Trustees, most cordially invite you and your associates to come swimming in our pool as our guests, Mr. Editor. I want the Chronicle to know that here in the Jefferson Union High School we have one of the finest gymnasiums and swimming pools to be found anywhere in California, or, for that matter, anywhere else. It is an indoor pool, lined with tile throughout, and has an underwater lighting system which makes it admired by everyone who sees it. The water is heated to a proper temperature, and is in constant circulation through large filters of the latest design.

Last Sunday week Governor Merriam dedicated the building in the presence of a large crowd of people. Your photographers were here and made some good pictures, but your reporters were off fishing.

Won't you please tell your readers that they don't have to go to the Santa Cruz High School to learn to swim—that they have only to come to the Jefferson Union High School? They can get here by street car from any part of San Francisco.

Swimming is now a regular part of our school program. Our slogan is "Every boy and girl at home in the water." We want to make it safe for the children, and adults, too, to go to the beaches for their vacation.

Won't The Chronicle help put this over for San Francisco as well as for the Jefferson Union High School District? Our swimming pool is right at your door.

Incidentally, I'll make a wager that if you come out any evening (except Monday) and see our pool in use you will go back to your desk and write an editorial with a heading something like this: "No More High School Drownings."

JAMES FERGUSON,
Principal Jefferson
Union High School.

Daly City, June 15, 1938.

LARGER AIR FORCE

Legislation, which permits the army to use 21,500 enlisted men in the air corps instead of the present maximum of 18,400, was signed by President Roosevelt in Washington, Monday of this week.

MOVE MADE TO ACQUIRE SCHOOL ESTATE BY CITY

City Fathers Go On Record At Meeting As Favoring Civic Center

It developed, at the regular meeting of the Daly City Council, Monday evening of this week, that the Board of Trustees of the Jefferson School District had set a tentative valuation of $10,000 for the Vista Grande School property on Mission street.

The site contains a frontage of 160 feet on Mission street and Parkview avenue, with approximately the same frontage on Santa Barbara avenue.

Several weeks previous a petition, signed by citizens in excess of 300, had been presented to the council, requesting that body to acquire this property for use as a Civic Center in Daly City.

It was stated that the school board desired an affirmative expression of opinion from the council members that the city would be interested in buying the property, or at least bidding for it before advertising for bids for its sale.

Considerable opposition developed to putting the city on record in the matter. The price was said to be too high and objection was made to the location, etc.

However, a motion was made and passed by the council placing it on record as favoring acquisition of the property for civic purposes and stating the city was willing to enter a bid on the site. It had been hoped the vote might be unanimous, but a division of opinion developed with Councilmen Sundermann, Twesten and Selmi voting in the affirmative on the proposal while Councilmen Cavagnero and Fahey refused to vote.

The next step now will be to advertise the property for sale by the school board.

NEW CITY HALL FEDERAL GRANT AGAIN REVIVED

A resolution authorizing Mayor Paul Selmi to prepare and file an application with the PWA for a grant from the federal government to assist in defraying the cost of erecting a new city hall was adopted by the City Council of Daly City at the regular meeting, Monday evening of this week, by unanimous vote.

The resolution, numbered 617, was filled in and forwarded to the state headquarters of PWA the following morning.

Last year the citizens adopted a proposal for bonds for the purpose of constructing a new city hall. The bond issue was made contingent on a suitable grant from the government.

An application was prepared and filed with the state headquarters of WPA in San Francisco, shortly after voting of the bond issue.

Through some error or oversight there the aplication was not forwarded to Washington until after expiration of the WPA fund allotment, and, consequently, nothing of a favorable nature developed.

Since establishment of the new federal setup of PWA it is now possible to secure government assistance in the way of a loan or grant to carry the project to final fruition.

As soon as the action on the latest application is announced steps will be taken to complete the project.

THREE PERSONS HURT IN CRASH

Mr. and Mrs. N. P. Petersen, San Francisco, each suffered a number of broken ribs when their machine and one driven by Carl A. Rollandi, San Francisco, sideswiped on a turn near the Mountain House on the Skyline boulevard.

Rollandi was only slightly injured.

The Petersens refused medical aid in San Mateo County and were taken to San Francisco by passing motorists. The state highway patrol ordered their locked car towed to a San Mateo garage.

CROCKER PTA VERY ACTIVE

The members of Crocker P. T. A. who are not on vacation met at the Fleischhacker Chalet, Tuesday of this week. This was the last regular meeting until August. Very little business was transacted owing to the vacation period. The report for the convention was postponed until our August meeting, but Mrs. Davidson stated Crocker had received awards for being a Standard Unit and on our program work. We also received honorary mention for the poster which was given first prize at the district judging.

Albert Boynton, representative of the Daly City Record, met with Crocker to explain about the swimming awards to be given children throughout Daly City and Colma if they take swimming lessons at Jefferson Union High School during the summer. Crocker voted to cooperate with the other P. T. A. Units in giving awards to all of Crocker students who pass the test at the exhibition in August. The swimming lessons sponsored by the Record begin this morning.

Mrs. Davidson was happy to present the ring from Crocker P. T. A. to Donald Howe, who received the highest scholarship rating in the class for his last year. Crocker members were proud of Rose Marie Carlsen and John Tatoni, who were presented with the Legion medals by A. J. K. Jakobson, commander of Daly City Post, American Legion.

Mrs. Julia V. Jordan held her luncheon on Thursday, June 16. An enjoyable afternoon was spent by those present.

The sewing club will meet at the home of Mrs. Virginia Davidson on Thursday of next week. Owing to the absence of so many members, there will be only two sewing days a month during the summer.

Mrs. Anne Eason reported that WPA classes in handicraft will be held each Monday afternoon at 2 o'clock in the city hall under the direction of Mrs. Campbell. Members of Crocker were asked to be present, if possible. Mrs. Eason also reported that the children's recreation will be held at Crocker playgrounds every day from 10 to 4 o'clock.

Vows Solemnized By Candlelight

At the home of the bride, 174 Los Olivos avenue, Saturday evening of last week, Timothy Banfield of South San Francisco and Helen Evelyn Redding were married, Judge Wade H. Clay officiating.

Standing before a beautiful altar in the flickering glow of candles the nuptial vows were solemnized.

The affair was informal and the bride wore a rust colored dress and carried a bouquet of gardennias and lilies of the valley. The maid of honor was attired in a dress of blue and for her bouquet, red roses.

Following the ceremony a buffet supper was served to the fifty guests, relatives and friends of the happy couple.

The newlyweds are spending their honeymoon in Sonoma, and later may reside in Daly City. The groom formerly was a resident of our city for seven years.

PLEASE PARDON!

Whoever made this error will be glad to see the following correction: Referring to the June 10, last week's issue of The Record, page 3 under the head "Elementary Students Graduated," should have listed Florence Bautista and Norman Wiseman as the students of the Woodrow Wilson School receiving the American Legion award, instead of Florence Bautista and Richard King, the latter name listed in error.

HEADS DOCTORS CONVENTION MEETING IN SAN FRANCISCO

Dr. Alvin Abell, president of the American Medical Association, is pictured with his wife as they recently arrived in San Francisco where 7000 doctors from all parts of the nation held their annual convention. Dr. Abell succeeded Dr. J. H. J. Upham as president. The new leader made a spirited attack on "socialized medicine," which he termed regimentation and control of all medical activities by political bureaucracies. Continuing his attack on government control of medicine, Dr Abell declared: "The health of a nation neither should be made the football of politics nor consigned to the fallacious judgment of those who, regardless of sincerity of purpose, are untrained in the intricacies of its care."

DALY CITY MEN BOUND OVER TO SUPERIOR COURT

Plea Of Not Guilty In Justice Court Will Result In Trial At Redwood City

Two Daly City men, George Kirchhubel and Louis Linhares, were arraigned for preliminary hearing in the court of Judge Wade H. Clay, Thursday afternoon of this week, on a charge of operating a bookmaking establishment.

Two A. J. Kane Detective agency operatives, Roy Manning and William Barrett, testified they had placed a bet on a certain horse running at Suffolk Downs in the fourth race on May 7.

They described how the progress of races at various tracks had been followed by announcement through a loud speaker located in the room where the bets were placed. Each said he had bet $1 and had received $2.20 as return after the horse on which the bet was placed had won.

The witnesses described the manner of operation in betting and stated they had seen both defendants receive money for bets on horse races on that day.

Chief of Police Hilton testified that shortly after 1 o'clock in the afternoon of May 7, he, in company with three other police officers, had entered the premises where the alleged bookmaking was being conducted, 6296 Mission street, Daly City, and placed the defendants under arrest.

Charged with felony gambling and alleged to have operated a bookmaking establishment in Daly City, the two men were arrested, Saturday afternoon, May 7, by Daly City Police and operatives from the A. J. Kane Detective agency.

Police Chief Barney Hilton said at that time that the operators of the place had defied warnings to close.

The raid, Chief Hilton said, was timed to interrupt last minute business on the Kentucky Derby.

After hearing the evidence and listening to a motion for dismissal by the attorney for the defense, Judge Clay held both defendants to answer to the Superior Court. Bail was fixed at $250 cash or $500 bond for Kirchhubel and $100 cash or $200 bond for Linhares.

Daly City Unit Legion Auxiliary

Daly City Unit No. 410, American Legion Auxiliary, met, Wednesday evening of this week. The prizes for selling the most poppies went to Eldon Prziborowski, first prize; Jean Durkee, second prize, and Lorraine Hill and Earlyn Barker tied for third prize. Mrs. Hilda Prziborowski was the adult selling the most poppies.

Interesting letters from girls in foreign countries were read as part of the Fidac program.

The executive board will meet at the home of the president, Mrs. Alice Reilly, on Tuesday evening, June 28, to complete and compile the annual reports.

The next regular meeting will be held, Wednesday evening, July 6, when first nomination of officers for the coming year will take place. This year has been very successful. Our membership quota of 106 has been reached; we sold the greatest number of poppies ever sold; the rehabilitation and child welfare programs have been carried on more intensively than ever before. This success and co-operation has been possible through the efficient leadership of our president, Mrs. Alice Reilly. Thus we close another year dedicated to the welfare of those affected by the world war.

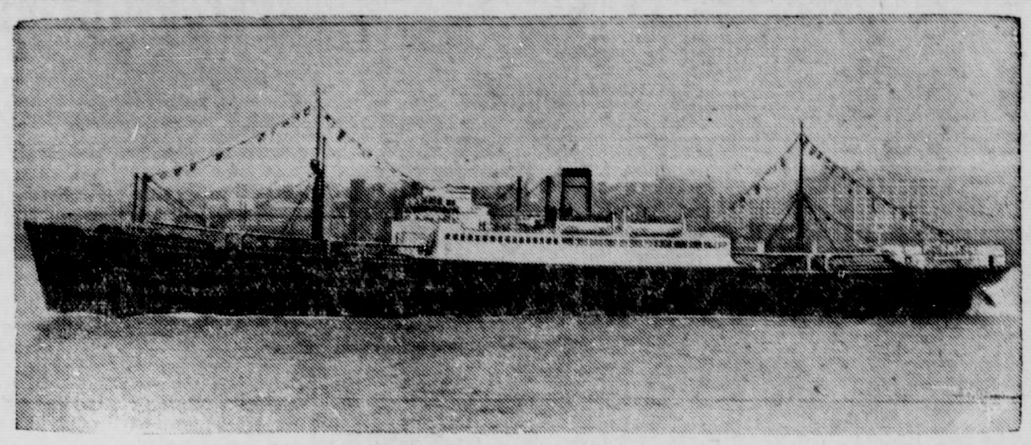
COAST RUN PROMISED FOR FIVE ATLANTIC LINERS



P. S. Franklin, chairman of the International Mercantile Marine, addressing a stockholders meeting recently, said it had been p actically decided to abandon the Baltimore Mail Line and put its five transatlantic liners into the California-New York service. The five ships, to be operated by the Panama Pacific Line, will replace the three luxury liners recently taken off the coast run. The City of Baltimore, above, is one of the vessels which will give Los Angeles and San Francisco a weekly passenger service to the east coast.

Professor Ferguson Tells 'Em-And How!

The "enclosed letter" here referred to will be found in another column of this issue, titled "Faculty Head Answers Query."

Editor, Daly City Record: Dear Sir—Your readers may be interested in the enclosed letter which I have just mailed to the editor of the San Francisco Chronicle. It is self-explanatory.

In addition to the facts contained in this letter, I would like to state that at the regular meeting of the Board of Trustees on last Tuesday evening, the final payment on the Gymnasium and Swimming Pool was made to the contractors, Frank J. Reilly Company. This leaves only the bond issue of $85,000 to be paid on a building which cost approximately $210,000.

I want to express to you our appreciation of the splendid help which you gave to our Gymnasium and Swimming Pool project through the columns of the Daly City Record since the matter was first presented to the people of the Jefferson Union High School District.

From the fine attendance by the general public at every session the pool and gymnasium are open, I am sure that the project is meeting universal approval. We now have a social as well as an educational center at our high school which is of tremendous worth to our district.

WOMAN SUFFERS SERIOUS HURTS IN AUTO CRASH

Mr. James H. Clifton and son Jack of 147 Winchester street were the first to render aid to Mr. and Mrs. Jack Armstrong, 457 Twenty-second street, San Francisco, who were injured in an automobile accident, Thursday (yesterday) early in the afternoon.

Mr. Clifton said the car turned over three times, crashing into the car of Mr. and Mrs. W. Huntley of 4211 Detroit street, Oakland. The accident occurred on the Coast highway about a half mile below Mussel Rock. The Huntley car was parked and the occupants had shortly before remarked about the peace and beauty of the surroundings.

The Armstrongs were the only persons injured in the impact. Mrs. Armstrong is now lying in a serious condition in the Junipero Serra Hospital and her husband, although hurled through the top of the car, sustained only minor injuries.

At present writing the cause of the accident is unknown. Mr. Clifton believes it may have been caused from a flat tire.

Paul Frereton of Chicago testified in his divorce suit that his wife wanted him to take a crooked job that would have tripled his earnings.

Local Drill Team Takes State Honors

Many local V. F. W. members attended the convention held in San Jose from Sunday to Wednesday of this week. Next year's convention will be held in Hollywood.

MAYOR SELMI NAMES MEMBERS OF COMMITTEE

Recreation Week Program In Daly City To Be Observed From June 10 To 25

Calling attention of all residents of Daly City to the second annual observance of Public Recreation Week in California, Mayor Selmi, has appointed Mrs. M. Boyle, Mrs. A. M. Eason, Mrs. Martin Johnson, Mrs. Rose Watson and Commander Jakobsen of the American Legion Post to the publicity committee for the observance of Public Recreation Week in Daly City.

This follows the formal action of Governor Frank F. Merriam in setting aside this week annually throughout the state of California.

Marriages Are Divorced

Divorce severed the marriage vows recently,, when Howard Marriage of 1370 Clayton street, San Francisco, charged his wife with intemperance. He was granted the divorce from Mrs. Rose Marriage by Superior Judge Frank H. Dunne.

The wife is a resident of Minneapolis.

After conviction for theft, John Travis of Chicago declared his trial had been a joke. The judge said: "Take two years to think how funny it is."

Degree Conferred By True Blue L. O.L.

An interesting session of California True Blue L. O. L. No. 118 was held in the Masonic Temple, Daly City, Friday of last week, when the Orange degree of the order was conferred on Brother Howard Everett Martin by the lodge degree team under the capable direction of Worshipful Master Alfred Jones.

At the business meeting following the degree ceremony progress was reported on the arrangements for the forthcoming whist drive to be held in the Masonic Temple, Daly City on June 25, sponsored by the California True Blue social committee.

At the supper following the meeting, a clorful scheme of decoration was employed by the refreshment committee, when the tables were tastefully decorated with the orange and purple colors of the order.

If I was connected with a water heater that ran itself without depending upon someone to start it and stop it, I would be faithfully serving hot water 24 hours a day." . . . . . *signed* H. FAUCET

With summer right at hand every faucet in your home that is labeled hot, should be instantly able to deliver hot water when you need it. Quick shower and tub baths will freshen up your body and spirits. Stockings and dainties doused in warm sudsy water and thoroughly rinsed are quickly made sweet and clean. In the kitchen and in the laundry, hot water on tap is a most welcome hot weather helper. Make sure your home has this kind of service an Automatic Gas Water Heater can best provide. As little as ten cents a day will buy and install an Automatic Gas Water Heater in your home.

FROM OUR CONGRESSMAN
JOHN J. McGRATH

Walsh-Healey Bill — The House Committee on Judiciary has approved by a vote of 12 to 7 the Walsh-Healey Bill denying government business to companies that violate the Labor Relations Act.

* * *

Radio Broadcasting — George C. Payne, a member of the Federal Communications Commission, has asked the House Committee on Rules to pave the way for House action on a resolution for a special committee of the House to investigate monopoly in radio broadcasting. He charged that the radio broadcasting companies, through lobbyists, have tried to influence the FCC.

* * *

Aviation—The President's request for $500,000 to start construction of a $3,000,000 dirigible, to be used in training purposes, has been turned down by the House Appropriations Subcommittee in drafting the final deficiency bill. A total of $26,000,000 had been asked by President Roosevelt to launch the recently authorized naval expansion program. The dirigible was included in this amount.

* * *

Investigations—While the committee investigating TVA is contemplating extensive hearings in Tennessee in July, the Senate committee investigating lobbying activities is waiting for more funds to continue its investigation. A preliminary report covering eleven months stated that due to "rapidly changing conditions," it recommended no legislation.

* * *

Judiciary — Senator O'Mahoney's resolution authorizing a study of monopolistic practices has been revised to remove threat of executive control, by the Senate Judiciary Committee considering it. An amendment to remove authority given the President to allocate $500,000 proposed for study by executive departments, and substitute a study by a committee jointly representing the Senate, House, Justice and Commerce Department, SEC and FTC, was approved by the committee.

* * *

Soil Fertility—A large group of people feel that the President is right in advising Congress that it should give attention to a study of the phosphate resources of this country. They believe that it is important that phosphate deposits be developed and conserved for the benefit of American agriculture. Fertilizers are becoming more and more important for replenishing exhausted farm lands and the country will some day be dependent on phosphates and other contributing elements to promote plant growth. Opponents of such a program of conservation, state that the available supply is abundant and conservation is far from necessary now, as the United States has great supplies and the amount is enough to last centuries.

* * *

Railroads — Chairman Splawn, of the I. C. C., believes that financial troubles of the railroads will be solved by increased business rather than by legislation. A House subcommittee on Judiciary is considering a bill to speed up railway reorganization procedure.

* * *

Lake Developments—A treaty for development of the Great Lakes-St. Lawrence River basin has been proposed by Secretary Hull to Canada. Included would be electric power projects and a waterway to the sea. The proposal has met with different reactions on both sides of the border.

* * *

Wallace To Increase Use Of Farm Surpluses—Secretary Henry A. Wallace announced that in view of the existing surpluses of many farm commodities he has requested the executive committee of the Federal Surplus Commodities Corporation to co-operate with the state and local relief organizations and similar agencies in determining the extent of unfilled need for food and clothing among people on relief. Twin disasters occurring within the last few months have caused the people of the United States to adopt once more an emergency action program under the leadership of President Roosevelt. One disaster, due to man's failure to regulate his own affairs wisely, is the shutdown or part time operation of factories. The other disaster, due in part to the bounty of nature, is the fall in farm prices and farm income under the weight of huge surpluses.

* * *

Home Loans—Home financing by savings and loan associations in the United States during April totaled $62,621,000 and set a six month record. April lending, which was twelve per cent above March, was the largest for any month since last October.

* * *

New Steel Cargo Ships — The United States Maritime Commission awarded a contract for the construction of four standard, steam propelled, steel cargo vessels of the C-2 design for operation in foreign trade. The vessels will cost $2,080,000 each or $8,320,000 for the four. They will be 435 feet long with a displacement of 13,900 tons and a speed of 15½ knots, which will make them over 50 per cent faster than the majority of the cargo ships in the merchant marine at the present time. All of the vessels must be completed within 600 days.

* * *

New Stamp—Postmaster James A. Farley announced that he had authorized the issuance of a special postage stamp in the three-cent denomination in commemoration of the one hundred fiftieth anniversary of the establishment of civil government in the Northwest Territory under the Ordinance of 1787. This stamp will be placed on first day sale on July 15, 1938, in Ohio. The stamp will be purple in color and will be 0.75 inches by 0.87 inches in size. The central design will be a reproduction of a statue being erected at Marietta, which embodies a symbolic group representing a nation moving westward, designed by Gutzon Borglum, sculptor.

Daly City Girl Weds San Franciscan

Miss Maria, daughter of Mr. and Mrs. Pasquale Scalia of Irvington street, and Pietro Riccardi of the Marina district in San Francisco were married, Saturday evening of last week, at Our Lady of Perpetual Help Church on Wellington avenue, with Reverend Father J. Doyle officiating.

The bride, who was given in marriage by her father, wore a gown of white satin and a tulle veil held in place by clusters of orange blossoms. She carried a shower bouquet of lilies of the valley, gardenias and white barvardia.

Miss Edith Scalia was her sister's maid of honor. She wore a gown of pink mousseline and carried blue and white sweet peas. Joe Scalia, brother of the bride, was the groom's best man.

After the services a reception was held in honor of the bride and groom at the home of the bride's parents for relatives and friends. This was followed by a dinner at a popular San Francisco cafe for the members of the two families.

After a short honeymoon Mr. and Mrs. Riccardi will make their home in their cozy new cottage in Geneva terrace in San Francisco.

Former U. C. President Leaps To Death

Dr. William Wallace Campbell, 76, former president of the University of California (1923-30) and recognized as one of the world's greatest astronomers, who recently leaped to his death in San Francisco. Failing health and fear that he was losing his reason were believed to have been the causes of the death leap from his apartment windod. Photo shows Dr. Campbell while engaged in research work at famed Lick Observatory on Mt. Hamilton overlooking the Santa Clara Valley in California.

FAMILY REUNION

Mr. and Mrs. Meyer Kanter of Miriam street entertained at a family reunion, Wednesday evening of last week, following the graduation exercises at Jefferson Union High School, in honor of their son Mark, who graduated with honors.

Mark received many compliments on his talk, "Youth Pleads For Peace." He contemplates entering San Mateo Junior College at the opening of school after the summer vacation.

BUSY TIMES FOR HILLCREST CIRCLE

Hillcrest Circle No. 143, United Ancient Order of Druids, met Monday evening of this week. The grand session will be held in Santa Rosa, beginning next Sunday and lasting through Thursday. The installation of grand officers will be held open to the public that evening. Delegates attending from this circle with our grand officer, Madeliene Fellows, are Minnie Bernardi, Agnes Prescott, Grace Hill and Martha Wegner. Many members are planning to attend the installation on Thursday evening.

Plans are being made for outfitting the drill team with new dresses for its activities during the coming fall. A class initiation will be held soon.

The next regular whist will be held Monday evening, June 27, with Hazel Keagle and Lillian Prescott as chairmen.

Trailer Houses Two Honeymooners

The marriage of Grace Guistina Giomi of Parkview avenue and Raymond Harbaugh of Acton street was solemnized by Judge Wade H. Clay, Saturday morning of last week.

Miss Agnes Giomi, sister of the bride, was maid of honor and Paul Giomi, brother of the bride, served as best man.

Following the ceremony, the guests gathered at the home of the bride's parents, where a sumptuous dinner was served, not only in honor of the newlyweds, but also to commemorate the nuptials of the host and hostess, thirty-one years ago that day, when they were bride and groom.

Early the following Sunday the young couple speeded away in their trailer for Lake Tahoe, to spend a two weeks honeymoon.

EXPERIENCED HOUSEWIFE CLUB

(By Maude LaRue Ives)

CHINESE CHEWS

(Contributed)

This cookie is popular with children, because it is chewy.

1 cup dates
1 cup walnuts
1 cup graulated sugar
¾ cup flour
¼ teaspoon salt
1 teaspoon baking powder
2 eggs

Chop dates and nuts. Add sugar, then flour mixed with the salt and baking powder. Add the well beaten eggs to this dry combination. Put batter in flat greased pan and bake about 20 minutes. Brush with thin white icing while still warm. Cut into squares.

ONION SOUP

(From Mrs. Martha Ciemoli)
Colonial Cafe

3 medium sized dry onions, cut thin
5 branches celery, cut thin
1-3 cube butter (2 tablespoons)
1 quart milk
2½ cups diced potatoes
2 tablespoons oil
2 heaping tablespoons flour
1 pint water (2 cups)
Salt, pepper, dash of Worcestershire

Put oil in heavy pot. Add onions, celery, potatoes, seasoning. Saute for 10 minutes. Add hot water and finish cooking until vegetables are tender. Rub flour to a smooth paste, add to mixture and stir until it thickens. Add butter, milk and let milk come to scalding point. To make it of a richer flavor, 3 beef cubes may be added.

CHICKEN WIGGLE

(From Mrs. V. Hauptli)

1 cup cooked noodles
½ cup milk
1 tablespoon butter
½ cup walnuts, chopped
1 teaspoon salt
½ cup cream
½ cup chicken stock
½ cup celery, chopped
1 cup peas
1 cup diced cooked chicken

Combine cream, milk and stock and scald in top of double boiler. Add to the beaten egg yolks, butter and salt. Return to double boiler and cook until mixture thickens slightly. Add the chicken, peas and celery. Add cooked noodles and mix together. Heat thoroughly. Just before serving add the nutmeats and serve on buttered toast.

ELEVENTH HOUR KISSES

(From Mrs. Amelia Lewis)

2 egg whites
1-3 cup fine granulated sugar
½ teaspoon baking powder
¼ teaspoon salt
½ teaspoon vanilla
¾ cup finely cut almonds
1 cup sliced dates

Beat egg whites until stiff but not dry. Beat in sugar, one-third at a time and the baking powder. Add salt and vanilla, fold in nuts and dates. Drop mixture by rounded teaspoonfuls on a well greased baking sheet or inverted pan. Bake in a slow oven at 250 degrees for about 30 minutes. Cool for one minute on taking from oven. Remove from pan with a spatula or broad bladed knife. Decorate kisses while they are still on the pan with a bit of candied cherry or small piece of citron. Makes 3 dozen kisses.

HOUSEHOLD SUGGESTION

(Contributed)

When net curtains are worn or become torn in any way, simply dip a piece of the same net into cold starch. Apply to the wrong side over the hole and then iron with a hot iron. Such a mend is almost impossible to detect readily.

MOLDED WALDORF SALAD

(From Mrs. L. Lemon)

1 package lemon gelatin
¾ cup sliced celery
1 cup diced apples
½ cup walnut meats
1 tablespoon lemon juice
½ teaspoon salt
¼ teaspoon paprika

Dissolve gelatin as directed on package. Chill until thick and syrupy. Add celery, apples, walnuts, lemon juice, salt and paprika and mix. Chill until firm. Unmold on lettuce leaf. Serve with thinned sweetened mayonnaise. Serves six to eight.

D. C. Fire Company Third Anniversary

Station Six, Daly City Fire Department, celebrated the third anniversary, Saturday evening of last week, at the fire house on Werner avenue.

A delicious ravioli chicken dinner and all the trimmings was served to the members of the City Council, Board of Fire Commissioners, fire chief, assistant chief and members of Station Six, all accompanied by their wives.

A huge three layer birthday cake, with three candles, occupied the center of the table. The candles were lit by Assistant Chiefs Fritz Hanson, Arthur Bodien and Bert Silicani. Chief Chesney had the honor of cutting the cake.

Following the dinner dancing was enjoyed, a three piece orchestra furnishing the music.

Angelo Bennedetti of Millbrae was presented with a service certificate by Tony Gaggero.

Lesson Sermon Of Christian Science

"Is the Universe, including Man, Evolved by Atomic Force?" will be the subject of the Lesson-Sermon Sunday, June 19, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be: "Our help is in the name of the Lord, who made heaven and earth" (Ps. 124: 8). Other Bible citations will include: "Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear" (Hebr. 11: 3).

The Lesson-Sermon will also include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Theorizing about man's development from mushrooms to monkeys and then amounts to nothing in the right direction and very much in the wrong. . . . Spirit can form no real link in this supposed chain of material being. But divine Science reveals the eternal chain of existence, as uninterrupted and wholly spiritual; yet this can be realized only as the false sense of being disappears" (p. 172).

ATTENDS LUNCHEON

Mrs. Stella Jensen of Lawndale, San Mateo Junior College trustee, and her husband were guests at the faculty luncheon, Thursday of last week, following the sixteenth commencement at the college.

The luncheon has become a traditional event at San Mateo. Other board members and Dr. and Mrs. Tully Knoles were also guests. Dr. Knoles, president at the College of the Pacific, delivered the commencement address.

Albert Corbin of Hull, Eng., was convicted of bigamy with all his 22 sons in court. The children were by four different mothers.

Winner Of Catalina Golf Tournament For Women

Mrs. Gregg Lifur

Mrs. Gregg Lifur of the Riviera Country Club, who recently won the tenth annual women's golf tournament, held at Santa Catalina Island. The game was won in a spectacular six-hole playoff, as Mrs. Lifur's score was tied with that of Mrs. Mildred Green of Los Angeles Country Club. Mrs. Green's score was 41-32—73, while Mrs. Lifur tallied up 36-37—73 for eighteen holes. Both players tied in the playoff of each of five additional holes, with Mrs. Lifur winning the sixth by a putt. The winner still holds a course record of 66 established in 1937.

NEW GIRL IN TOWN

Mr. and Mrs. William Webb of San Diego avenue are the proud parents of a daughter, born early Saturday morning of last week at St. Mary's Hospital in San Francisco.

The little miss, who weighed seven pounds and thirteen ounces, has been named Joyce Virginia.

Mrs. Webb before her marriage was Miss Virginia Corish of San Diego avenue.

EDITOR EXPECTS TO HAVE GREAT TIME ON SUNDAY

That Will Be Celebrated As Fathers Day—And All Dads Should Get A Break

In the late 'nineties a grief-stricken father sat with bowed head in the front room of his farmhouse, located among the rolling hills of the Big Bend, near Spokane, Washington. The March wind moaned and the six small children, five boys and one girl, seemed frightened and bewildered as they gathered close to him. They knew nothing about the finality of death and looked toward the door, evidently expecting their mother's return to them at any moment, but her material form had just been buried.

Finally, one lad rushed out in the snow to seek her in the woods, but the father roused himself and followed the child, raised him in his arms and brought him back, placing him in his crib. That was the beginning, for from then on the man became both mother and father to his six youngsters.

The little girl grew up and became Mrs. John Dodd. In 1910 she attended a church service. It was Sunday and Mothers Day. She heard the gentle words of the preacher, extoling the mothers of the world, but her thoughts were doing homage to the memory of her father, the only mother she had ever known. His form, too, now rested in the churchyard.

"Why only Mothers Day?, she queried to herself. "Why not Fathers"?

With these thoughts Fathers Day was born. Mrs. Dodd set aside the third Sunday in June in memory of the one, who had shared her childish games.

William Jackson Stuart was the simple, churchgoing man, who inspired, the day, which this year falls on next Sunday, June 19.

In Arkansas, his native state, he was called "Billy Button," because of the shiny brass buttons he wore on his homespun butternut brown jacket. At seventeen, he enlisted in the War between the States, and for twenty years after that he fought the stubborn soil of his home state to win a livlihood. Later it became a coalfield, but by that time "Billy Button" had transported his family to the Big Bend.

Mrs. Dodd's dad lived by the golden rule. He never borrowed and taught his children the same. Objected if his daughter's petticoat ever showed or if the floors and walks were other than spotlessly clean.

The spirit of Fathers Day seemed to touch the hearts of people in all parts of the world, even to places as remote as Guatemala, Siam and Korea, and many sympathetic letters were received in behalf of honoring one day of the year for father.

The following poem makes plain, just what it means to have or to have sometime experienced the real palship of a Dad.

A BOY AND HIS DAD

A boy and his dad on a fishing trip—
There is glorious fellowship!
Father and son and the open sky
And the white clouds lazily drifting by,
And the laughing stream as it runs along
With the clicking reel like a martial song,
And the father teaching the youngster gay
How to land a fish in the sportsman's way.

I fancy I hear them talking there
In an open boat, and the speech is fair;
And the boy is learning the ways of men
From the finest man in his youthful ken.
Kings, to the youngster, cannot compare
With the gentle father who's with him there.
And the greatest mind of the human race
Not for one minute could take his place.

Which is happier, man or boy?
The soul of the father is steeped in joy,
For he's finding out, to his heart's delight,
That his son is fit for the future fight.
He is learning the glorious depths of him,
And the thoughts he thinks and his every whim,
And he shall discover, when night comes on,
How close he has grown to his little son.

A boy and his dad on a fishing trip—
Oh, I envy them, as I see them there
Under the sky in the open air,
For out of the old, old long-ago
Come the summer days that I used to know,
When I learned life's truths from my father's lips
As I shared the joy of his fishing trips—
Builders of life's companionship!
—Edgar A. Guest.

NEW PACIFIC COAST CHAMPION

A 1938 Chrysler Royal recently won the Pacific Coast Stock Car Racing Championship when Fred Agabashian, pictured above, **placed first in a grueling 250 mile** race at Oakland. Twenty-four stock automobiles were entered, and according to the manager of Mission Auto Co., Chrysler-Plymouth dealer here, the event afforded dramatic proof of Chrysler's finer engineering and its ability to "stand the gaff."

Freedom Of The Press

An investment of more than $75,000 in advertising space is being made by California newspapers as they cooperate in presenting the facts of the Freedom of the Press in a series of twelve promotional advertisements, now appearing in the Daly City Record and 331 other newspapers throughout the state.

The campaign is designed to tell the story of the newspaper to its readers effectively, and to put citizens on the alert for those moves which threaten their civil liberties. The series represents the largest cooperative movement ever undertaken simultaneously by a major group of newspapers.

FREE PRESS NECESSARY

Based on an address by Dr. William B. Munro, of the California Institute of Technology, before the annual convention of the California Newspaper Publishers Association in Riverside last January, the advertisements point out that "Dictators Never Defy Their People—They Delude Them;" that "Liberty Was Never Extinguished Over Night;" and that "Democracy and a Free Press are Inseparable," to name only a few of the topics. Each advertisement carries the message that "A Free People Cannot Exist Without a Free Press."

Reaction to the publication of the first of the series was prompt and decisive, and proved that the campaign was worth the effort and expense involved in its production. Letters to the editor, congratulatory and otherwise, told publishers that their readers were vitally interested in the problem of civic liberties and the relation of the newspaper to this problem.

NATIONAL SCOPE POSSIBLE

Possibilities that the program might become national in scope arose when the press associations of six states asked permission to reprint the advertisements. Inquiries regarding the newspapers story came from instructors in journalism, newspapermen, and readers throughout the nation; in fact, from as far away as London interested parties asked for full information on the campaign.

Sponsored by members of the California Newspaper Publishers Association, of which the Daly City Record is one, and prepared by the staff of the association in co-operation with the Robert L. Nourse Advertising Agency of Los Angeles, the series gives readers of California newspapers an opportunity to learn what the American Press means to the nation, what its ideals are, and what function it serves in a democracy. One of the advertisements of the series will be found in this issue of the Daly City Record.

Didn't Take Much Stock In Politics

"I suppose, Uncle Jim, you remember a good deal about the politics of the early days?"

"Well, I never tuk much int'rest in pollytics, but I kin recollect when John C. Fremont was 'lected President."

"Fremont! Why, Fren.ont was never elected."

"He wun't? Well, now, thet gits me. I heard a leadin' speaker talk the night 'fore 'lection, an' he said if John C. Fremont wun't 'lected the country would fall to ruin an' everybody would have to shut up shop. Course I didn't take the papers; but, noticin' thet things went on 'bout same as before, I cal'lated John won."
—A. C. C. O. Press.

Careless drivers are a menace thinks Saxon Brown, London strong man, whose special stunt is to allow an automobile to be driven over his chest. Recently a driver let the wheels wobble and they went over Brown's neck. Results were not fatal, but the strong man suffered for several days with a painful "sore throat."

Streams Of Lava Threaten Islanders

Lava in increasing volume poured in flaming rivers from Mayon Volcano near Manila, P. I., recently.

Practically all towns and villages near the base were deserted.

Clouds of volcanic ash have been blown over four provinces and destruction to crops is feared.

Refugees jammed half a dozen concentration camps set up in Albay Province, location of the 7900-foot fire pot, and all relief agencies were concentrating on the problem of feeding and housing the multitude.

Distinguished Guest to Arrive

From San Pedro, Monday of this week, the Battleship Pennsylvania was announced as a Fourth of July visitor to San Francisco. Other assignments were made for other battleships to visit various Pacific coast ports for the holiday.

DRIVER STRIKES BADEN HIKER

A car driven by D. J. Mahoney of San Francsico struck John Barrogtra, a Colma rancher, on El Camino Real near Baden, Sunday night of this week. Barrogtra suffered a broken leg.

A GOOD DAY'S WORK IN ANY MAN'S LAND

Near Quincy, Wash., recently, 59 rattlesnakes were killed in one day by O. F. Gibson and his two sons.

The three warriors had armed themselves with a "snake gun"—a four foot iron pipe with a wire running through it and a hook on the end of the wire.

HE ROBBED US

Former postmaster at Avalon, Santa Catalina Island, James B. Ogden, pleaded guilty in federal court in Los Angeles, Monday of this week, to a charge of embezzlement of $1712.56 in government bonds during his term in office.

June 25 was the date set by Judge Harry A. Hollzer for sentence and hearing of a plea for probation.

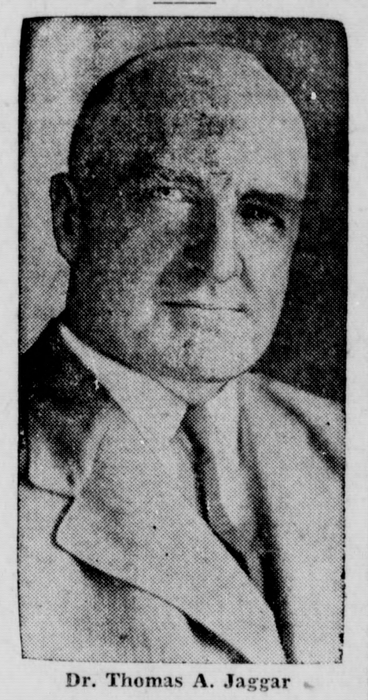
NEW STAMP OUT SOON

The forthcoming James Madison stamp will be pink and similar in size and design to other stamps in the presidential series, it was recently announced by postal officials.

It will be of four-cent denomination and will be sold for the first time July 1 in Washington, D. C.

Charles Lewis of Swansea, Wales, did not object to William Jenkins stealing his wife, but when he also took the family phonograph he was sent to jail.

Volcanologist Predicts Mt. Lassen Eruption



Dr. Thomas A. Jaggar

Dr. Thomas A. Jaggar, acclaimed by scientists as the world's No. 1 volcanologist, who on his recent arrival in San Francisco told reporters the world's volcanoes, including California's famed Mount Lassen and Hawaii's Kilauea, are on the verge of unusual activity. "It is not unlikely that Mount Lassen will, in the next few years, experience another major outburst." Dr. Jaggar said the most prolonged period of volcanic activity which Hawaii has experienced within a century may start within a few years and carry on for three decades. Protective dykes around the city of Hilo, in the Hawaiian group, the scientist explained, is possibly the city's salvation against Kilauea's lava flow.

GARBAGE TRUCK CATCHES FIRE

Fire equipment of both Daly City and Colma responded to an alarm, Monday morning of this week, when one of the local garbage trucks caught fire on San Pedro road near Holy Angels Church. The blaze, which probably originated from a can of hot ashes, was quickly extinguished without injury to the truck.

There are many activities to be carried out this coming year and they must be outlined before the opening of the new school year.

Those present with the hostess and Mrs. Lillian Smith, who assisted with the luncheon, were Mesdames Stella Jensen, Mae Conserva, Tina Hollingsworth, Annie Flick, Edith Ferguson, Mary Crane, Martha Linden, Lillian Thomey, Grace Hill, Lucy Nelson, Pearl Jones and Flossie Bentley.

War Waged To Rid Country Of Hoppers

Numberless grasshoppers were on the march in the deep southwest and Rocky Mountain region the past week, threatening ruin to farmers and stockmen.

Pitted against this menace were hundreds of men and machines, waging desperate war against the hordes.

National guard detachments moved into the areas in northeastern New Mexico and the Texas Panhandle, while Colorado, Oklahoma, Montana and Wyoming farmers and government agencies mobilized their resources against the pest.

Ordinance No. 214

AN ORDINANCE DECLARING ALL OLD BUILDINGS OR STRUCTURES WHICH ARE DILAPIDATED BEYOND REPAIR, TO BE PUBLIC NUISANCES AND PROVIDING FOR THE ABATEMENT OF SUCH NUISANCES.

The Council of the City of Daly City do ordain as follows:

Section 1. Every building, outhouse, shed or other structure in the City of Daly City which has become so dilapidated through old age, neglect, misuse, deterioration or decay so as to be dangerous, untenantable, a fire menace, a health menace, or a breeding place for rodents, or a likely resort for vagrant or dissolute persons, is hereby declared to be a public nuisance.

Section 2. It shall be unlawful for any person, firm or corporation to allow or permit any building, outhouse, shed or other structure owned or controlled by him, them or it in the City of Daly City to become so dilapidated as in Section 1 hereof set forth.

Section 3. Whenever the Building Inspector shall find any building or structure so dilapidated as aforesaid, he shall give notice, in the manner hereinafter stated, directing the owner thereof to appear before the City Council at a stated time and show cause why such buliding or structure should not be condemned as a public nuisance and said nuisance be abated as herein provided. Said notice shall be headed "NOTICE TO ABATE NUISANCE" in letters of not less than three-quarters of an inch in height, and shall be substantially in the following form:

NOTICE TO ABATE NUISANCE

The owner of the dilapidated building or structure situated at .....in the City of Daly City, is hereby notified to appear before the City Council at its meeting to be held....., 19....., at the Council Chambers in the City Hall in said City of Daly City, at the hour of 8 o'clock p. m., or as soon thereafter as he may be heard, and show cause, if any he has, why said building or structure should not be condemned as a public nuisance and said nuisance be abated by reconstructing or properly repairing said building or structure, or by razing or removing the same.

Dated, Daly City.

.....,19.....

.....
Building Inspector.

The Building Inspector shall post conspicuously at least one copy of said notice on the building or structure sought to be so condemned. He shall also send another copy by registered mail (postage prepaid) addressed to the person who is named as the owner on the books of the City Assessor, in case the address of such person is known to him, but the failure to mail such notice or the failure of any owner to receive the same shall not affect in any manner the validity of any proceedings taken hereunder, providing said notice has been posted as hereinbefore mentioned. Said notice must be posted as aforesaid at least ten days before the time fixed for the hearing before the City Council.

Upon giving notice as aforestated, the Building Inspector shall file an affidavit with the City Clerk certifying to the time and manner in which the same was done. He shall also file therewith any receipt card which may have been mailed back to him in acknowledgment of the receipt of such notice by registered mail, providing he mailed said notice in addition to posting the same.

Section 4. At the time fixed in said notice, the Council shall proceed to hear the testimony of the Building Inspector and the testimony of the owner and other competent persons, respecting the condition of the building or structure sought to be condemned, and the estimated cost of its reconstruction, repair or removal, after which the Council may condemn the same and order its razing or removal, or take such other action in the premises as they may deem advisable. The Council may continue said hearing from time to time.

Section 5. If the owner fails to appear at the time fixed for said hearing, or the time to which said hearing may have been continued, the Council shall proceed to hear the testimony of the Building Inspector and other competent persons respecting the condition of said building or structure, after which they may pass a resolution declaring said building or structure, a public nuisance, and directing the owner to abate said nuisance within thirty days from the passage of said resolution, by having said building or sturcture properly reconstructed or repaired, or by having the same razed or removed, and notifying him that if said nuisance is not so abated, said building or structure will be razed or removed by the Building Inspector and the expense thereof made a lien on the lot or parcel of land from which it was removed.

Upon the passage of said resolution, the Buildling Inspector shall post a copy thereof conspicuously on the building or structure so condemned, and mail another copy to the person named as the owner on the books of the City Assessor, if his address is known to him, after which he shall file his affidavit with the City Clerk certifying to the time and manner of posting a copy of said resolution, and also as to the mailing of a copy in case a copy was mailed.

Section 6. Any owner or other interested person having any objections, or feeling aggrieved at any proceeding taken by the City Council in condemning any such building or structure, must bring an action in a court of competent jurisdiction within thirty days after passage of said resolution to contest the validity of the proceedings taken by the Council, otherwise all objections will be deemed waived.

Section 7. Thirty days after posting a copy of the resolution declaring said building or structure a public nuisance as aforesaid, the Building Inspector shall be deemed to have acquired jurisdiction to abate such nuisance by razing or removing the building or structure so condemned and, unless the nuisance is abated by the owner or his agent in the meantime, the Building Inspector shall thereupon raze and remove the condemned building or structure or have the same done under his direction and supervision.

Section 8. The lumber and any other materials contained in any such condemned building or structure shall be sold by the Building Inspector at public auction, after not less than five days notice thereof published in a newspaper of general circulation published and circulated in said City, either before or after said building or structure has been razed or removed, and the amount received from the sale of such lumber and materials shall be deducted from the expense of razing or removing the same.

Section 9. The Building Inspector shall kepp an itemized account of the expenses involved in the razing or removal of the condemned building or structure, and deduct therefrom the amount received from the lumber and materials as aforesaid. He shall then post conspicuously on the property from which the building or structure was removed a verified statement of the gross and net expense of razing or removing the building or structure, together with a notice of the time and place when and where said statement shall be submitted to the City Council for approval and confirmation. He shall mail another copy of said statement and notice to the person named as the owner on the books of the City Assessor, if his address is known to him, after which he shall file his affidavit with the City Clerk certifying to the time and manner of posting such statement and notice, and also as to the mailing of a copy in case a copy was mailed. The time for submitting said statement to the Council for confirmation shall not be less than five days from the posting of said statement and notice as aforementioned.

Section 10. At the time fixed for hearing on the statement of expense the Council shall consider the statement and such objections as may be offered against it, whereupon they shall modify, amend or confirm the same as submitted; provided, they may continue said hearing from time to time. When finally confirmed, the City Clerk shall transmit a certified copy to the City Assessor and another to the City Tax Collector.

Upon final confirmation of said statement, the expense of abating any such nuisance, less any money received from lumber or other material as aforementioned, shall constitute a lien on the real property upon which the same was abated or removed, and the amount thereof shall be added to the next succeeding tax bill against said property, and shall be collectible at the same time and in the same manner as general municipal taxes are collected, and shall be subject to the same penalties and procedure in case of delinquency. Provided that if the amount received from lumber or other materials should in any case exceed the expense of razing or removing such building or structure then, and in that event, such excess shall be deposited with the City Treasurer to the credit of said owner and be payable to him on demand.

Section 11. For the purposes of this ordinance, the singular shall include the plural, and the masculine shall include the feminine and neuter. The word "owner" shall mean and include the person or persons owning the fee, or their agents, executors, administrators or guardians.

Section 12. Every person, firm or corporation who suffers such a public nuisance as above defined to remain upon any real property owned or controlled by them for a period of thirty days after the receipt of the notice above mentioned shall be guilty of a misdemeanor and punishable by a fine not to exceed One ($100.00) Hundred Dollars, or by imprisonment in the City Jail or City Prison for not more than thirty (30) days, or by both such fine and imprisonment; provided, however, nothing herein contained shall prevent the City Council from invoking the provisions of Section 377A of the Penal Code or Section 731 of the Code of Civil Procedure for the abatement of nuisances.

Section 13. The City Clerk is hereby directed to cause this ordinance to be published once in the Daly City Record, a newspaper of general circulation, published and circulated in the City of Daly City and hereby designated for that purpose.

Introduced this 23rd day of May, 1938.

Passed and adopted as an ordinance of the City of Daly City the 13th day of June, 1938, by the following vote, to-wit:

Ayes, and in favor thereof, Councilmen: Cavagnaro, Sundermann, Twesten, Fahey, Selmi.

Noes, Councilmen: None.

Absent, Councilmen: None.

PAUL G. SELMI,
Mayor of the City of Daly City.

"Goldwyn Follies" Is Great Entertainment

All the greatest entertainers of the stage, the screen, the radio, the dance and grand opera put on the greatest show the screen has ever shown in Samuel Goldwyn's glorious technicolor, "The Goldwyn Follies," which comes to the Daly City Theater next Sunday.

Produced on the most magnificent scale of any musical in cinema history, this most ambitious of all the great Goldwyn's screen ventures does great credit to the name it bears.

Offering a cast headed by Edgar Bergen and Charlie McCarthy, radio's No. 1 stars, Adolphe Menjou, the Ritz Brothers, Zorina, the beautiful young premiere ballerina of the Ballet Russe, who is a splendid actress as well as a great dancer; Kenny Baker, Helen Jepson, the lovely Metropolitan Opera star who makes a brilliant film debut; Andrea Leeds, Phil Baker, Ella Logan, Bobby Clark, Jerome Cowan, the American Ballet of the Metropolitan Opera and the gorgeous Goldwyn Girls, "The Goldwyn Follies" is a movie fan's dream, combining every element of great entertainment in magnificent measure.

Built around a grand yarn about Hollywood from the pen of Ben Hecht, the musical casts Adolphe Menjou as a film producer who loses touch with the public taste and hires Andrea Leeds as "Miss Humanity," to tell him what the great American movie fan wants.

Love walks in in the person of Kenny Baker, the popular radio tenor.

Chances are you'll never have an opportunity to see another film like "The Goldwyn Follies," so don't miss it!

In Cardiff, Wales, was found a 100-year-old resident who had never heard of the World War nor ridden in an automobile.

SOCIAL NIGHT TO BE FULL OF FUN

At the last regular meeting of Daly City Post No. 410, American Legion, the first nominations of officers for the coming year took place. At the first meeting in July will be held final nominations and election of officers.

Next Wednesday evening will be our regular social night. No business or meetings are now held on these social nights. Through the courtesy of one of San Francisco's auto dealers, there will be one hour's free entertainment, starting at 8:15 o'clock. This will consist of a picture taken by the manufacturer of their car, taking in the native and wild animal life of Africa, from coast to coast, as the cameraman came across it. Legionnaires, their wives and friends are cordially invited. Refreshments will follow.

This Saturday evening will be the annual pilgrimage to Santa Cruz. There will be a parade at 8 o'clock and fun and frolic afterward, as only Santa Cruz can put it on.

FATHERS FORUM MEETS TUESDAY

Men To Take Up Wide Program—Child Welfare Will Be Stressed

Concluding the season with the June meeting, the newly installed officers of the Fathers Forum of the Jefferson School District will present a comprehensive program for the consideration of the members at the meeting to be held on Tuesday, June 21.

The session is to be held at the Theater Social Hall and will be called to order at 8 o'clock. A program of activities is to be planned for the coming year, beginning with the first meeting following the vacation period.

There are to be no meetings during the vacation period in July and August.

DEMOCRACY AND A *Free Press* ARE INSEPARABLE

FREE GOVERNMENT cannot perish while a free press survives; on the other hand its days are numbered when freedom of the press disappears. When the Constitution of the United States was in process of adoption after the American Revolution, the people demanded that it guarantee freedom of the press, freedom of speech, and freedom of worship. First hand experience with despotism in Europe had taught them that liberty is an illusion unless people have the right to voice and print their own opinion, the right to nominate and elect candidates in opposition to the government, the right to pursue their own plans within the limits of the law. They knew that democracy and freedom of the press go hand in hand, one and inseparable. Freedom of the American press today is the first line of defense established for the security of free government in America. The welfare and independence of your newspaper is the welfare and independence of your nation.
